YOUR ESTATE MATTERS

Over the course of my sixteen year, legal career in the areas of Estate Planning; Business; Tax and Real Estate, my aim has been to develop long-term, professional relationships with my clients. Through the years, legal issues have arisen for my clients, and I have seen the need to refer to other competent legal counsel. More specifically, inquiries of where to go with needs of negligence; product liability; accidents/injuries; civil liability; etc. have arisen.

In this context and over the years, I have established a strategic relationship with a law firm in Springfield, MO that specializes in cases of personal injury, civil liability and product defects. This firm is not one you will see on television, plastered on a billboard or in your local phone book. This law firm is a responsible, reliable business in whose name and lawyers I place immense trust and respect. They have already helped a number of my clients and their families.

Consider the following questions as they relate to you, a family member or some other loved one:

1. Has someone been hurt by someone else's negligence?
2. Has someone been in an accident caused by someone or something else?
3. Is there someone who has been injured by a defective product?
4. Has someone been victimized by discrimination?
5. Has someone been unjustly terminated in their job?
6. Did someone die in circumstances that are hard to understand or justify?

If any of the answers to the above questions are "yes", or if you just do not know the answer, then it may be time to explore your potential legal remedies. I am not promising you a winning case, but I am promising you a thorough review of your situation, so you are able to receive an expert opinion and better decide how to proceed.

If you have any questions regarding this matter or any other issue, please feel free to contact me. I am always happy to assist my clients in any matters they have, be it Estate Planning; Tax; Business Law or the matters which are the subject of today's email.

Hope your Fall is enjoyable. Happy Thanksgiving!
